## **ChatTime** Coffee Chats or Tea Talks

Catching up with friends or colleagues for a coffee or tea is always enjoyable. Doing coffee with a purpose is enjoyable and much more. Why not do "coffee with a purpose". This is a simple and powerful way you can be a voice for the Heart for Kids family of orphans and children living in poverty, as you go about your every-day life.

It's just 4 easy steps:

1. Invite a friend around for a coffee or go out to a cafe.
2. Ask your friend about their interests and passions.
3. Encourage them to use these gifts to help others.
4. Challenge them. We can ALL do something to help those in need, who are less fortunate than ourselves.

Share about your heart for the work of Heart for Kids.

## **Have fun and fundraise! Even an online event.**

Do you have a passion to support the work of our children's programs? Why not hold a fundraising event with your friends, family, work mates or church group? It's as easy as 1,2,3...

1. Choose a fundraising idea to suit your interests – e.g. if you are part of a craft group, you may decide to host a knitting, sewing or scrapbooking party and raise funds for Doves Wings.

2. Let us know what you are planning – we can supply you with some helpful information, materials and support.

3. Have fun! Enjoy the event and remember that every dollar raised is a huge blessing to our brothers and sisters in Asia.

**Hold Party with a purpose** – a Heart for Kids party! This is where we take some creative fun and turn it into transformation. Here's a few ideas!

♥ Don't go out and spend a lot in a restaurant... have a night in with your friends. Enjoy a movie, popcorn, chips and games – then donate what you would have spent on a night out.

♥ Dance the night away with a dance or dress-up party.

♥ Host a dinner party and raise money for your project of choice.

♥ Make toys or other small projects like candles etc with friends and fundraise for our children.

♥ Encourage guests to donate to Heart for Kids at your next birthday party.
